Accuratus Image RF - Wireless 2.4Ghz 800dpi Glossy Optical Mouse with Illuminated Scroller

About

The Image RF mouse is designed to compliment the well established wired Image mice in exactly the same glossy colours but with no wires and a new slimline design. The Image RF blends style and precision into a mouse you can use on a daily basis. The Image mouse is perfect for both left or right handed people. It has a low profile one piece button assembly, giving the product an almost perfect balance. Available in almost any colour the image mouse will fit perfectly into your lifestyle, get a match for your laptop, your office or your corporate identity...
